## References

Mrs Sally O'Neil,  
Head Teacher,  
Lyncrest Primary School,  
Northampton.

## **Teaching and Assessing Experience**

Over the past couple of years I have taught first aid courses within the scouting association to children and adults who wish to become leaders these courses run through out the year at various locations. I am often called upon to demonstrate and teach recovery position, CPR, choking, burns and serious bleed skill to the general public at outdoor festivals in and around Northampton as part of the community first responder team and the British Heart Foundation. In my role as First Aid co-ordinator at Lyncrest Primary School in Northampton I teach and asses all our year six pupil's basic first aid skills ready for their summer holidays and moving up to senior school in the new academic year.
